

An-Sofie Goessaert

Uroloog, PhD

Riziv-nummer 1-48387-23-450

OPLEIDING

2011-2018	Master in de specialistische geneeskunde, urologie , UGent
2011-2015	Doctorandus in de medische wetenschappen , Universiteit Gent
2008-2011	Master in de geneeskunde , Universiteit Gent <i>- afgestudeerd met grote onderscheiding</i>
2004-2008	Bachelor in de geneeskunde , Universiteit Gent <i>- afgestudeerd met onderscheiding</i>
2002-2004	Grieks-Wiskunde , Sint-Hendriks en Zusters Maricolen Instituut Deinze
1998-2002	Grieks-Latijn , Sint-Hendriks en Zusters Maricolen Instituut Deinze

WERKERVARING

2020-heden	Uroloog in eigen praktijk / klinisch consulent dienst urologie UZ Gent / academisch consulent UGent
2018-2020	Resident Functionele Urologie , Universitair Ziekenhuis Gent
2015-2018	Assistent Urologie , Universitair Ziekenhuis Gent
2014-2015	Assistent Urologie , Algemeen Stedelijk Ziekenhuis Aalst
2013-2014	Assistent Algemene Chirurgie , OLV te Lourdes Ziekenhuis Waregem
2011-2013	Onderzoeker / PhD student , Dienst Urologie, Universitair Ziekenhuis Gent

WETENSCHAPPELIJKE ERVARING

Onderzoek

- Eigen onderzoek :
 - o Wetenschappelijk onderzoek in het kader van een doctoraat, PhD (augustus 2011-juli 2013): *Nocturia in adults, with a special emphasis on pathogenesis and treatment of nocturnal polyuria*
(binnen dit project begeleiding van 2 masterproefstudenten)
>> verdediging 19/11/2015
 - o Wetenschappelijke stage Dienst Urologie UZ Gent (januari-mei 2011): *Characteristics of adults with nocturia*
- Begeleiding onderzoek:
 - o Copromotor van Rebecca Haddad, lopend PhD onderzoek: *Nocturia through the prism of ageing*

- Copromotor van Kim Pauwaert, lopend PhD onderzoek: *The impact of age-related changes and lifestyle factors on lower urinary tract symptoms above the age of 50*
- Copromotor van Marie-Astrid Denys, PhD: *Unraveling nocturia in adults*
>> verdediging 26/10/2017

Publicaties

Hoofdstuk Boek

- Practical Functional Urology. Heesakkers et al. Elsevier 2016. * chapter Nocturia

 - Ghent - Aarhus Spring School (27/04-28/04/2012): *oral presentation* (on invitation)
* Similarities between nocturnal enuresis and nocturia - What can we learn?
 - ICS Glasgow (31/08-02/09/2011): *poster presentations*
* NO-touch intermittent catheterization: as safe as the standard catheterization technique?
* Superiority of desmopressin as oral lyophilisate formulation compared to tablet, related to less interference by associated foodintake
* Pharmacokinetic characteristics of desmopressin oral lyophilisate (melt) and tablet formulation in children

Prijzen & Beurzen:

- *Swiss Continence Foundation Award (27/01/2018):*
 - *Nocturnal polyuria in spinal cord injury patients & the effect of conservative measures on urine production
- *Beurs voor internationalisering van de ASO via MSG: klinische stage op de Dienst Urologie, Sheffield Hallam University, UK, bij Prof. C. Chapple, verdieping in de urethra chirurgie bij vrouwen (Nov 2017)*
- *Best poster of the session: EAU Stockholm (11-15/04/2014):*
 - * Extent to which a voiding diary is used to reach diagnosis in nocturia patients: Results of a real world survey of physicians and patients in Europe and the USA
- *Tweede klinische prijs: Elautprijs Antwerp (26/01/2013):*
 - *Circadian rhythms of renal functions in an adult nocturic population (second clinical price)
- *Best poster: BAU Brussels (07/12-08/12/2012):*
 - *Nocturnal polyuria & urinary retention
- *Dehousse research grant (2011-2013)*
